

Music, Dance, Theatre Arts

3470 Swetzer Road, Loomis, CA 95650 916-652-6377 mclaughlinstudios.com

Dance Instructor

Job Title	<p>Dance Teacher, Ballet, Jazz, Tap, Hip Hop, and Musical Theatre experience desired.</p> <p>McLaughlin Studios is an innovative arts education facility; utilizing current teaching strategies, a variety of performance opportunities, and most importantly, regular instruction provided by highly qualified teachers. Our priority is to support the needs and achievement of our diverse student population, offering flexibility and support in their education. Our teachers, therefore, need to share the studio's mission and approach.</p>
Job Description	<p>Teaching dance, including but not limited to beginning ballet, jazz, tap, hip hop lessons/classes to students of all ages and all levels of proficiency. Teaching in this studio requires a firm understanding of how best education practices can be applied to our innovative arts education facility. Teacher must have an openness to explore the ways they can help create new innovative programs and offerings to further enhance the studios arts education lessons and classes.</p>
Salary	\$18 - \$28 per hour
Type of Job	Part Time
Job Location	Loomis, California 95650
Expiration Date	Until Filled
Job Requirements	
Degrees Wanted	Associates, Bachelors, Masters or equivalent experience in the field
Majors Wanted	Dance, Theatre
Job Targets Wanted	Dance, Theatre Education; Performing Arts
Special Skills Wanted	Proficiency in jazz and hip hop. Ballet, tap and musical theatre experience desired.
Other Job Requirements	<p>A college degree or equivalent work experience in dance and theatre is desired.. It is also necessary to have excellent dance performance, teaching skills and enthusiasm. Previous paid or voluntary teaching experience can be beneficial when applying for this position.</p>

Music, Dance, Theatre Arts

Job duties

- Prepare and teach students individually or in small groups
- Assess student and determine appropriate level of teaching
- Advise and support student in choice of dance styles
- Include parents in all aspects of program when appropriate
- Track student progress and share with student and others as appropriate
- Develop and reinforce rules of behavior
- Support and follow employer mission and guidelines in handbook
- plan and prepare lessons/classes in relation to individual and group students' needs.
- acquire appropriate teaching materials/resources
- teach dance theory and practical techniques to students
- prepare students for recitals and performance opportunities
- motivate students and encourage progress
- communicate with studio staff and parents
- create and maintain a network of contacts to ensure work continuity
- ensure up-to-date knowledge and awareness of studio and teacher requirements
- assess students' abilities, providing feedback and writing reports
- help arrange and attend recitals/performances for students' families and friends
- keep accurate time cards, class schedules, and student records.
- advertise or publicize the studio.
- Because many people take dance classes as a hobby in their spare time, the job commonly requires working afternoons, evenings and weekends.
